

County of San Diego, Planning & Development Services  
**AGRICULTURAL PRESERVE  
SUPPLEMENTAL APPLICATION**  
**ZONING DIVISION**

In addition to the Discretionary Permit Application [PDS-346](#) you must also submit the following:

1. Ownership Disclosure Statement, [PDS-305](#).
2. Three (3) copies of a plot plan drawn to scale showing boundaries and dimensions of subject property. Indicate location of crops, structures and roads.
3. One (1) copy of a current Assessor's Map showing parcel(s) under consideration.
4. Four (4) copies of a complete recordable legal description of property under consideration.
5. One (1) Title Report not more than six months old. This may be obtained from a title company.
6. Public Notice Package. (see [PDS-514](#), [PDS-515](#), [PDS-516](#) and [PDS-524](#).)
  - a. New Preserve requires – All property owners within 300 feet.
  - b. Modification of existing preserve including addition, removal and/or contract cancellation requires – All property owners within 300 feet plus every contract holder in the preserve within one mile.
7. Agricultural Preserve Contract Map if the property is a modification of an existing preserve. Your property should be outlined in red. This base map is available from the Department of Public Works, Cartographic Services. Call (858) 694-3285 for information.
8. The following information must be listed: The annual gross and net return per acre realized from each unprocessed agricultural product produced on the property for each of the past two (2) years and the present land use designation.

| Year | Crop(s) and/or Type and<br>No. of livestock, poultry, etc. | Acres devoted<br>to each use | Gross income<br>Per acre | Net income<br>per acre | Remarks |
|------|--|------------------------------|--------------------------|------------------------|---------|
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |
|      |  |                              |                          |                        |         |

**County of San Diego, PDS, Zoning Division**  
**Agricultural Preserve Supplemental Application**

*Continued*

**EXISTING NONAGRICULTURAL USES:**

Describe below all nonagricultural activities conducted on subject property for commercial purposes, including acreage devoted to each use and related gross and net income for the last three years.

List (and describe on a map) the number of acres for each category of land not usable for agriculture due to poor soil, rough topography, or devoted to building sites.

**FUTURE USES:**

Describe anticipated future changes in the quantities of agricultural or nonagricultural activities.
